## The Best Way of the Quraan Recitation in Groups:

The best way for the Quraan Recitation in a Group is what Allah had already said, that one person should read it and rest must listen to it with full attention. If in one gathering you have recited and listened first part, then in the next gathering you should recite second part and in next gathering third part and so on. This way in few years you should be able to recite the whole Quraan. Who knows, Allah may reward thousand times or much more for this and Allah knows the best.

And **when the Quran is recited, then listen to it and remain silent, that mercy may be shown to you.** And remember your Lord within yourself humbly and fearing and in a voice not loud in the morning and the evening and be not of the heedless ones. (Al\_Quraan\_007:204-205)

## The Best Way to Get Allah's Mercy:

You can get Allah's Mercy on practically following the commandments of Allah.

## Recitation of the Quraan Means Reading it With Full Understanding:

Recitation of the Quraan means reading it with full understanding. If one does not know Arabic Language, he/she must get help from translation till he/she learns Arabic Language. In those schools where they have alternate arrangements for additional languages like French or Urdu, etc. you must request the principal/organizers to start Arabic Language for you kids and make Duaa as well, that May Allah help our kids to Learn Arabic Language to understand the Quraan in a better way. AMEEN.

Do you exhort the people to be righteous, while forgetting yourselves, though you read the scripture? **Do you not understand?** (Al\_Quraan\_002:044)

**May Allah Help us to Read the Quraan with Understanding and Practice it. AMEEN.**

**We made the Quran easy to learn. Do any of you wish to learn? (Al\_Quraan\_054:017, 022, 032, 040)**
