

In the Name of Allah, Most Gracious, Most Merciful

Punishment of Blasphemy in Quraan

By Irshad Mahmood – Global Auliyya (PRESIDENT), Siraat-al-Mustaqeem Dawah Centre

Forget about blasphemy against Allah, his Prophets (Peace-Be-Upon-Them) and Sahaba (Raḍiyul-Laahu-Anhu), even if someone says anything about Religious Scholars (Faqui, Peer, Molvi or Mufti etc.), we are just so ready to KILL, KILL and KILL again and destroy our own economy with our own hand and put Billions of Dollars of loss in just few hours, which might have taken ages to established. This could be Shaitaan's another Trap to destroy Muslims economy. **True Muslim's actions must be to build this world heavenly likely instead of destroying it.** Forgiveness is the key to it, and keeping in mind we are living in a global village one country.

Blasphemy and these types of slogan are not new and many times, Prophet Muhammad (Peace-Be-Upon-Him) was subjected to verbal and physical humiliation. He (Peace-Be-Upon-Him) was narrowly escaped assassination by migrating to Medina along with Hazrat Abu Bakar (Raḍiyul-Laahu-Anhu). He was accused of FORGERY (Ref: AI_Quraan_021.005), and MAD/CRAZY/POSSESSED (Ref: AI_Quraan_068.002). His personal reaction, as also the reaction of all his devoted Companions (Raḍiyul-Laahu-Anhu), while both in and out of power, was impeccable adherence to the Quraanic teachings.

Punishment for Physical Abuse/Crime in the Quraan: The Quraan sets strict limits on punishment for any and every physical abuse/crime, i.e. tit for tat, e.g., eye for eye, teeth for teeth and wounds for similar wounds as its maximum punishment, while recommends to forgive to set a role model for others (Ref: AI_Quraan_002.178, 004.092-093, 005.032, 005.045, 062.040, 028.054). The honorable ministers and lawyers must have clear knowledge of the Quraanic directives on crime and its punishment.

And if you punished, let your punishment be proportionate to the wrong that has been done to you; but if you show patience, that is indeed the best course. (AI_Quraan_016.126)

There is no punishment mentioned in the Quraan regarding verbal abuse, however Allah has given limited authority to Islaamic Government to established peace for non-Physical Abuse in a balanced way (Ref: AI_Quraan_018.028, 004.059, 004.140, 005.57, 006.068, 018.106, 045.33). True peaceful rally in front of Parliament/Secretariat Buildings, Courts and Palaces etc. is necessary during the weekends, which do not hurt Peoples economy. True Islaamic Government must fines those doing these types of verbal abuses/crimes, in addition to put them into jail for limited time and teach them all the Quraanic (True Book of Guidance) Messages in their language during this jail time regardless of diplomats or high officials (Ref: AI_Quraan_009.006). Anyone entering into Muslims Country must be taught a Brief Quraanic Messages before issuing them visas including Diplomats and High Officials.

Be patient with what they say, celebrate (constantly) the praises of thy Lord and leave them with noble (dignity). (Ref: AI_Quran_020.130, 050:039, 073.010)

Why Blame Others: Pointing fingers is actually pointing three fingers on yourself. Mischiefs/Oppressions could also be done by those religious scholars who exploit Muslims to come to the street violently by taking the laws in their own hands, since they do not understand the wisdom of the Quraan. **It is duty on every single Muslims Men and women to at least read few verses from the Quraan with translation DAILY and if they need more explanation on those verses then consult Religious Scholars, not just one but must have second, third and fourth opinions, including from other sects,** just like for your critical and complex treatments, many times you need to consult more doctors for second, third and fourth opinions, if you are smart enough.

And withhold yourself with those who call on their Lord morning and evening desiring His goodwill, and let not your eyes pass from them (**always yes sir, till they follow the Quraan and Really Authentic Sunnah**), desiring the beauties of this world's life; and do not follow him whose heart We have made unmindful to Our remembrance, and he follows his low desires and his case is one in which due bounds are exceeded. (AI_Quraan_018.028)

If Quraan cannot convince you nothing will: None argue concerning the revelations (Ayaat) of Allah BUT those who Disbelieve... (AI_Quraan_040.004) **The command is for none but Allah. (AI_Quraan_018:026)**
